

Unapologetically YOUUnique

Lead with authentic humanity in a world of digital fakery

In our world of Pinterest perfection and Instagram #nofilter, people are under more pressure than ever, to conform to someone else's standards of how we should look, act and feel. We are under pressure at work to chase profits, often at the expense of people. Technology that was meant to make our world smaller, is dividing us and creating an entire global generation unable to have meaningful conversations.

In this interactive 2 hour breakfast, you will be empowered and inspired to:

- Lead with empathy and authentic humanity
- Unlearn years of social conditioning that keeps you playing small
- Uncover your personal values and align more with your purpose
- Recognize your own YOUUnique magic and share it with the world
- Find your tribe

Learn how to uncover who you truly are, step into your power and stop 'watering yourself down' in order to 'fit in'. Find your tribe, live your truth and shine your light!

Deborah Hartung is a consultant, coach, author and speaker. Over the past 20 years, she has worked extensively with human resources and business leaders to transform organisations, improve workplace culture and increase employee engagement. Especially popular with women and young, first time leaders, **Deborah writes for numerous global publications, consults for corporate clients in South Africa, the UK and the US and hosts the daily, podcast "GirlBoss Guide: Lessons for Ladies who Lead"**. Deborah is passionate about people and technology, the human experience in the workplace and the opportunities for the advancement of humanity in the digital age.
