

Smart Women Finish Rich

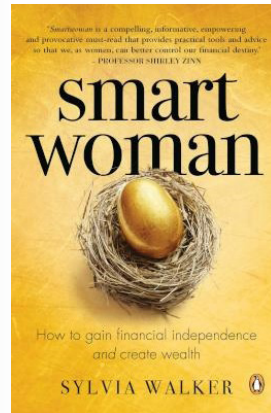

This **three hour session** will give you the tools to be financially free and create your own wealth by making your money work for you.

Making smart decisions around your money is easy if you know how. While some women seem to do extremely well at making their money work for them, others battle from month to month.

Put yourself in the driving seat:

- Make decisions that will lead to financial freedom
- Develop a healthy relationship with your money
- Invest to build real wealth

Smart people are in control – never victims!

Sylvia will cover:

- Who is competing for your money and why do we never seem to have enough
- How your 'money personality' influences your decisions
- Creating a solid financial foundation for your life
- Eliminating debt
- Tools to put you in control of your money
- Setting goals and measuring progress
- Busting the money myths that make us poorer
- Navigating the investment maze – tax implications, our personal risk appetite and how to decide where to invest
