More about our Speakers

Janine Myburgh (Myburgh Attorneys)

"What the average call excellent, the excellent call average"

Janine Myburgh is a practising attorney and has her own practice Myburgh Attorneys Incorporated. Janine specializes in high court litigation and in family law matters with a keen interest in the field of mediation. Janine is very involved in the legal profession and was elected in 2015 by the Minister of Justice to serve on the National Forum of the legal profession. In 2005 Janine was elected to be the president of the Cape Chamber of Commerce and Industry. Janine has served 6 terms as president over the years. She is the only woman to ever hold this position in the chambers 2014 history.

Koni Maliehe (Konempire)

"Making the Impossible, Possible...by stretching yourself beyond your limit"

Koni has worked for over 15 years in the financial services industry, in various departments ranging from a training specialist to senior management in human resources and learning and development. She ended her corporate career in December 2014 and started her own business making wine - Koni Wines is currently exported to the rest of Africa. She lives for and dreams about her ventures. Her business has taken her to the highest levels of her passion, tenacity and drive and proves that everything is possible if your heart is at the right place. Koni wants to leave behind a legacy of possibilities and ignite the "can do attitude" that lies within us all.

Ronel Ward (Capita SA)

"The unique qualities that give women the upper hand as leaders"

Ronel Ward is a senior learning and development manager at Capita SA. She has been living her passion for developing people for more than 20 years, in the education as well as corporate sectors. Professionally qualified as an ETD practitioner, she has worked for local and global blue chip organisations across multiple sectors, including telecommunications, financial services and online retail. Her experience is a blend of L&D specialist roles as well as management of L&D functions in organisations. She attributes her success to passion and determination, and still keeps in touch with her early career by volunteering as a mathematics tutor for a local NGO.
