~ Anita Borg

It is through our shared conversations that women are able to unite to support one another; bringing together our combined wisdom, visions, cultures, personalities, strategies and skills, daring to step boldly into feminine leadership in support of one another.

### These events aim to:

- Put into **focus**, the magical female ability to be leaders of self, teams, families, communities and others
- **Share** a morning filled with learning, inspiration and motivation
- **Support and equip** women with the tools to lead
- An opportunity to **connect** with up to 100 other women in business
- **Ignite** a sense of possibility in the workplace
- **Celebrate** all women in leadership
