

The Daring Way™

Show Up. Be Seen. Live Brave™

Introductory Session

The Daring Way™ is a highly experiential methodology based on the research of Dr Brené Brown.

The method was developed to help men, women, and adolescents learn how to show up, be seen, and live braver lives. The primary focus is on developing shame resilience skills and developing a courage practice that transforms the way we live, love, parent, and lead.

The introductory session will give you valuable insights into a journey of authenticity, courage and connection. Participating in the one day workshop will help employees **increase profits through peak performance, bold decisions making, increase productivity, as well as improved creativity and innovation.**

This two hour introductory session you will be introduced to:

- Dr Brené Brown's research findings and how to apply them into your day-to-day life
- Introduction to the Daring Way™
- Myths of vulnerability – the wrong things that prevent us from embracing vulnerability
- Armoury – Avoidance of vulnerability; and Shame shields – defence against vulnerability
- The Arena and showing up – when you are ready to be bold
- Empathy and Self Compassion – being kind to self
- Trust and earning the right to hear the story – who is your “supporter”?
- Shame and stepping in – what triggers shame and why we keep playing small
- How values and authenticity light the way

“VULNERABILITY IS THE BIRTHPLACE OF LOVE, BELONGING, JOY, COURAGE, EMPATHY, ACCOUNTABILITY, AND AUTHENTICITY.”
