

Melanie Kiley

Organisation Development Consultant & Facilitator

“Melanie possesses a gift for facilitation. She approaches conflicting and complex situations with creativity. She walks in the path of possibility with intelligence, intuition and empathy. Passionate about

people, she strives for success, is truly authentic, open and honest and it is my joy and privilege to call her a friend and colleague.” **Suzanne Annenberg** - General Manager Exact!

“Melanie has facilitated a number of conversation processes with employees from many different levels in the organization. She has the ability to engage all participants and create a relaxed space to ensure all voices across the many levels are heard.”

Senta van der Merwe,
The Foschini Group (PTY) Ltd

“Melanie gave input where needed, and also let conversations flow – this may sound like a simple thing, but facilitators so often get this balance wrong. All were won over by the café conversation process”.

Kathryn Sakalis, The Foschini Group (PTY) Ltd

“I was interested, astonished and inspired. We achieved a meaningful and deep level of conversation in a short period of time. I loved meeting so many people and being able to connect with them. The process kept us on track.”
